From The Principal's Desk

A New Beginning at Shree Saraswati Vidhyalay

Principal's Message

Dear Parents, Students, and Staff,
Greetings!

As we step into the new year with renewed energy and enthusiasm, I am thrilled to share some exciting updates and heartfelt messages with you all. It is with immense pride that I announce that SSV Campus has officially received CBSE affiliation. This milestone is a testament to our unwavering commitment to providing quality education and fostering an environment that encourages holistic development. This affiliation will undoubtedly open new avenues for our students to excel academically and explore a broader curriculum.

We are also looking forward to our much-anticipated School Fest in February. This grand celebration will provide a platform for our students to showcase their talents, creativity, and teamwork. We invite parents and guardians to join us in making this event a memorable one for the entire SSV Campus family.

To all our students, I want to extend my heartfelt wishes as you prepare for your board exams and competitive exams such as JEE and NEET. This is a crucial time in your academic journey, and I encourage you to maintain a balance between studies, health, and time management. A healthy body supports a healthy mind, so take care of your well-being and stay focused on your goals. Small, consistent efforts will lead to great achievements, and I have full confidence in your abilities.

Let us continue to work together as a community to achieve greater heights and ensure the best for our children. Wishing all our students the very best for their exams and future endeavors.

Warm regards,
Ms. Neeraj Kaushesh
Principal, SSV Campus

School Activities

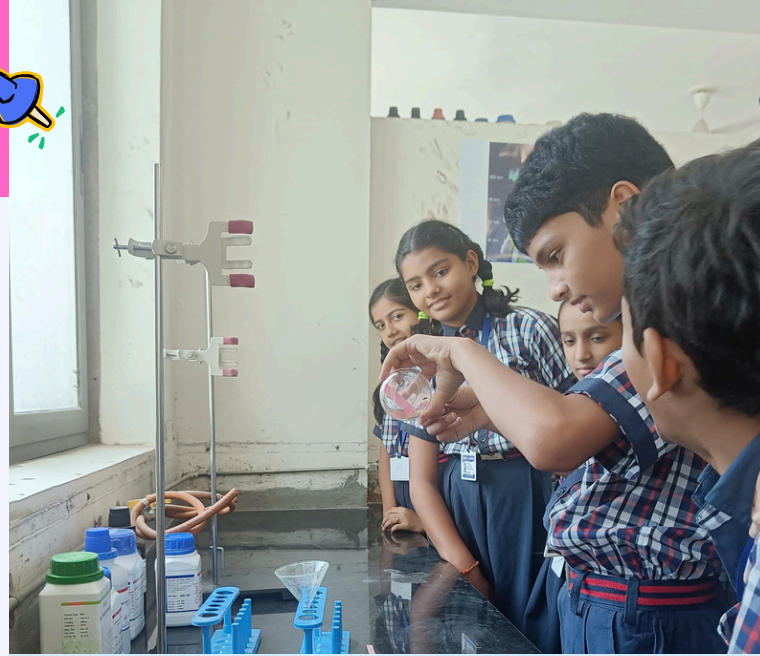

Ganesh Chaturthi is a festival that pays homage to Lord Ganesh, the remover of obstacles, and celebrates the day of his birth. The students of Pre - Primary section of SSV Campus celebrated this vibrant festival by a Colouring activity . The children of Nursery, Jr KG and Sr.KG colored the pictures of Modak , Hibiscus flower and Ganpati respectively . Coloring is a classic and favorite pastime for children, but it is also a simple activity that helps children to develop cognitively, psychologically, and creatively. It sparks their imagination and gives children an opportunity to express themselves. The children enjoyed the activity very much.

Hand on Experiments

A classic school science experiment to demonstrate the concept of density involves layering liquids of different densities in a clear glass. Gather liquids like honey, dish soap, water, oil, and rubbing alcohol. Carefully pour each liquid into the glass, starting with the densest (honey) and moving to the least dense (alcohol). Pour slowly to avoid mixing. You'll observe distinct layers forming, as each liquid has a different density. For added fun, drop small objects like a grape, a paperclip, or a piece of plastic into the glass and watch them settle in different layers based on their own densities.

Libraries are vital hubs of knowledge, offering access to a vast collection of books, digital resources, and educational tools. They promote literacy, critical thinking, and lifelong learning for people of all ages. Libraries serve as community spaces where individuals can study, collaborate, and explore ideas freely. By providing resources for free or at minimal cost, libraries bridge the knowledge gap and ensure equal opportunities for education and personal growth, making them indispensable in fostering an informed and enlightened society.

Library

Monologue Activity

The Inter-House Monologue Competition, held on 30.11.2024 (Saturday), was a remarkable display of talent and creativity. Students from all houses passionately performed monologues from famous literary works, original scripts, and historical speeches. The event was organized to foster confidence, articulation, and dramatic expression among participants.

Hindi Divas

Hindi Divas, celebrated on September 14 each year, honors the adoption of Hindi as India's official language in 1949. It highlights the significance of Hindi in uniting the diverse cultures of India and preserving its rich heritage. The day promotes awareness about the language's history and encourages its usage in daily life. Schools, colleges, and institutions organize events like poetry recitations, debates, and essay competitions, fostering pride in Hindi and its role in India's cultural identity.

Celebrations

Navratri

Navratri is a festival in which people joyously worship Goddess Durga. Indians celebrate this festival with a lot of joy and enthusiasm. The main message of Navratri is the victory of good over evil. According to Hindu mythology, Goddess Durga fought and defeated the demon Mahishasura after a fierce battle that lasted for nine days.

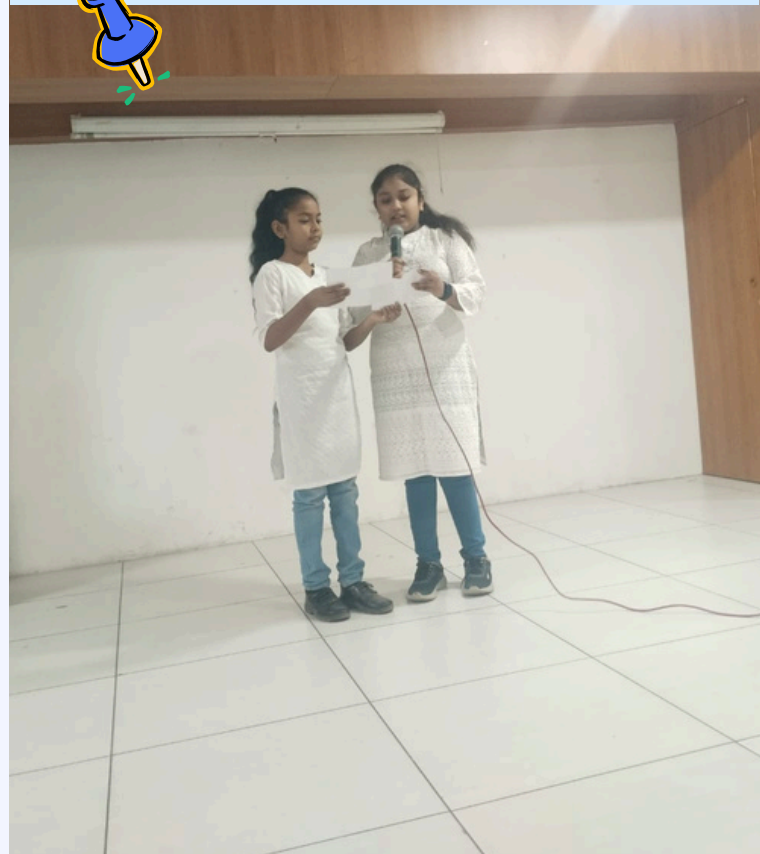

This victory symbolizes the triumph of righteousness and the power of good forces.

In Gujarat, Navratri is famous for its lively Garba and Dandiya dances, where people dress in colorful traditional attire and dance in circles late into the night.

Constitution Day

Constitution Day, observed on November 26 in India, marks the adoption of the Indian Constitution in 1949. It honors the efforts of Dr. B.R. Ambedkar, the chief architect, and other members of the Constituent Assembly who shaped the nation's legal framework. The day emphasizes the values of justice, liberty, equality, and fraternity enshrined in the Constitution. Educational institutions and organizations conduct discussions, quizzes, and readings to spread awareness about the significance of the Constitution in building a democratic India.

Teacher's Day

Teachers' Day is a heartfelt occasion to honor the invaluable role educators play in shaping individuals and societies. It recognizes their dedication, wisdom, and tireless efforts in nurturing knowledge, character, and values among students. Celebrating this day fosters gratitude and respect for teachers, acknowledging their impact as guides and mentors who inspire lifelong learning. By appreciating teachers, we emphasize the significance of education in building a brighter future for individuals and communities alike.

Grand Parents Day

Shree Saraswati Vidyalay SSV Campus Gandhinagar hosted a memorable Grandparents Day celebration to honor the invaluable role of grandparents in our lives. The event began with a traditional tilak ceremony where grandparents were greeted with tilak on their foreheads, symbolizing respect and blessings. Students performed a series of cultural programs, including dance and songs, dedicated to the love and wisdom of grandparents, filling the atmosphere with joy and nostalgia.

Gandhi Jayanti

Gandhi Jayanti, celebrated on October 2nd, marks the birth anniversary of Mahatma Gandhi, the Father of the Nation. It is a day to honor his principles of truth, nonviolence, and selflessness, which inspired India's struggle for independence and continue to influence movements for justice worldwide. Gandhi's philosophy of Satyagraha and his emphasis on simplicity, humility, and unity remain timeless. On this day, people participate in prayer meetings, cleanliness drives, and activities promoting peace and harmony. Gandhi Jayanti reminds us of the enduring power of truth and love in overcoming challenges and building a just and compassionate society.

Diwali Celebration

Diwali, the Festival of Lights, is a vibrant celebration symbolizing the victory of light over darkness and good over evil. Families decorate their homes with lamps, candles, and rangoli, creating a festive atmosphere.

The occasion is marked by prayers, exchanging sweets, and bursting firecrackers. It's a time for togetherness, reflection, and spreading joy. Diwali fosters unity and happiness as people celebrate with loved ones, embracing traditions that illuminate hearts and homes with hope and positivity.

Rangoli Making

SSV Campus School hosted a colorful Rangoli competition, which was graced by the presence of the Gandhinagar Mayor. Students showcased their artistic talents through intricate Rangoli designs, blending traditional and modern themes beautifully. The Mayor praised their creativity and presented prizes to the winners, encouraging them to pursue their artistic passions. The event also celebrated cultural heritage and teamwork, fostering a sense of community among participants. It concluded on a high note, leaving everyone inspired and proud of their efforts.

Sports Day

The much-awaited Annual Sports Meet of SSV CAMPUS was held, showcasing the spirit of sportsmanship, teamwork, and joy. The event, attended by students, teachers, and parents, was a resounding success and a day to remember.

The program commenced with the dignified arrival of the Chief Guest Mr. Amit kumar Gamit, Assistant Director, Sports Authority of Gujarat, Guest of honour, Mr.Sai Jignesh Patel, Assistant Director, Youth and Cultural Activities of Gujarat, Managing Director Mr. Manish Patel followed by the lighting of the ceremonial torch and the welcome speech by the Principal Ms. Neeraj Kaushesh. The event officially began with a mesmerizing prayer dance, performed by the students to seek blessings and set a serene tone for the day. The audience was then captivated by the vibrant pom-pom dance, which filled the air with energy and enthusiasm.

Sports Day

Sports Day

Cricket Competition

SSV Campus organized an exciting inter-house cricket competition, bringing out the students' competitive spirit. Teams from various houses showcased their skills, determination, and teamwork on the field. The matches were filled with thrilling moments, cheered on by enthusiastic spectators. The competition aimed to promote sportsmanship and camaraderie among students. The winning house was awarded a trophy, and all participants were appreciated for their efforts.

Christmas Celebration

a Christmas celebration was held at SSV Campus. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. At SSV Campus, the students were first given knowledge about the festival . A Santa Claus also came and distributed chocolates among the children . This was followed by a dance where the children enjoyed very much. Overall the celebration was phenomenal.

Visits

Vikram Sarabhai Space Center

Students from classes 6, 7, and 8 visited the Vikram Sarabhai Science Community Centre for an educational experience that included sessions on astronomy and mathematics. In the astronomy session, students learned about refraction, the visibility of stars, and the significance of the Dhruv star in indicating the north direction. They explored the parts of a periscope, how to construct a telescope, and how plane mirrors reflect light in telescopes. They also engaged in asking space-related questions, such as how black holes are formed, with the explanation focusing on supernovae. In the mathematics session, students were introduced to puzzles, games, and working models, starting with India's first mathematics lab, established in 1974. They learned about the Pythagoras theorem and actively participated in solving puzzles related to congruence, symmetry, and properties of shapes. Challenges included arranging numbers without consecutive neighbors and drawing hexagons while maintaining similar conditions. The visit provided an engaging and hands-on learning experience for all participants.

Old - Age Home

Students and teachers from Shree Saraswati Vidhyalay (SSV Campus) participated in a “Joy of Giving” drive with a visit to a local old age home. This visit aimed to foster compassion and provide students with the opportunity to learn from the wisdom and life experiences of the elderly.

During the visit, students engaged in heartfelt conversations with the residents, listening to their stories and gaining valuable insights. Teachers led activities that brightened the residents’ day, including reading, sharing small gifts, and spending quality time with them. Parents also contributed wholeheartedly by providing daily essentials like groceries and personal care items, which were warmly received.

Parents also contributed wholeheartedly by providing daily essentials like groceries and personal care items, which were warmly received.

Science Fair

Book Fair

Three students of Shree Saraswati Vidyalaya, Gandhinagar, participated in the science fair held at St. Xavier's School, Gandhinagar. The students—Naiya Jani, Dave Dimpal R., and Thakor Ishika D.—represented their school with a model focusing on "Waste Plastic Management," under the Earth Science category.

The model, "Waste Plastic Management," aimed to address one of the most pressing environmental challenges today—plastic pollution. The students explained how effective waste plastic management could reduce the environmental impact and help in creating a sustainable future. They demonstrated various recycling techniques, highlighted the role of individual responsibility in reducing plastic waste, and suggested innovative ways to reuse plastic products. The project received appreciation from the judges and fellow participants for its relevance and the practical solutions proposed to combat the issue of plastic pollution.

Maths Exhibition

The Mathematics Department of our school organized a grand Mathematics Exhibition for the students of Grades 3 to 8. The event aimed to encourage creativity and practical understanding of mathematical concepts among students through hands-on models and presentations.

The exhibition was held in the school Maths lab, which was transformed into a vibrant showcase of innovative math projects, puzzles, and models. The primary section students eagerly participated, demonstrating their knowledge of various mathematical principles like geometry, algebra, arithmetic, and measurements through creative, self-made models.

Cyber Security

With the aim of making students aware of the right use of social and online platforms and cyber rules, SSV Campus organized a cyber hygiene awareness seminar led by Ms. Ojaswani Bhargav. Ms. Bhargav, a renowned digital forensic analyst and speaker on cyber hygiene, has guided over 50,000 people and was awarded by the Honorable Home Minister, Sh. Amit Shah Ji, for her extensive work in cybercrime awareness. Currently working with the cybercrime cell in Gandhinagar, she shared invaluable information about cybercrime, discussed current incidents, and educated both students and teachers on various cyber threats such as phishing, ransomware, cyberbullying, cyberstalking, online job frauds, online sextortion, and online shopping frauds. She emphasized the importance of not sharing personal information on unknown websites and demonstrated how to keep personal details safe by setting strong passwords. The seminar was highly interactive, with students sharing their experiences and engaging actively in the session. It was an enlightening event that provided critical insights into maintaining cyber hygiene in today's digital age.

Memory Man of India

SSV Campus recently hosted an inspiring session with Mr. Sajan Shah, widely known as the Memory Man of India. The event saw enthusiastic participation from students, faculty, and staff, all eager to learn from Mr. Shah's extraordinary expertise in memory enhancement and personal development.

During the session, Mr. Sajan Shah shared a wealth of practical techniques for improving memory, drawing from his own remarkable experiences. His engaging demonstrations and insightful tips left a lasting impression on the audience, motivating students to reach their full potential and adopt a positive mindset. The interactive nature of his presentation made the learning process enjoyable and impactful.

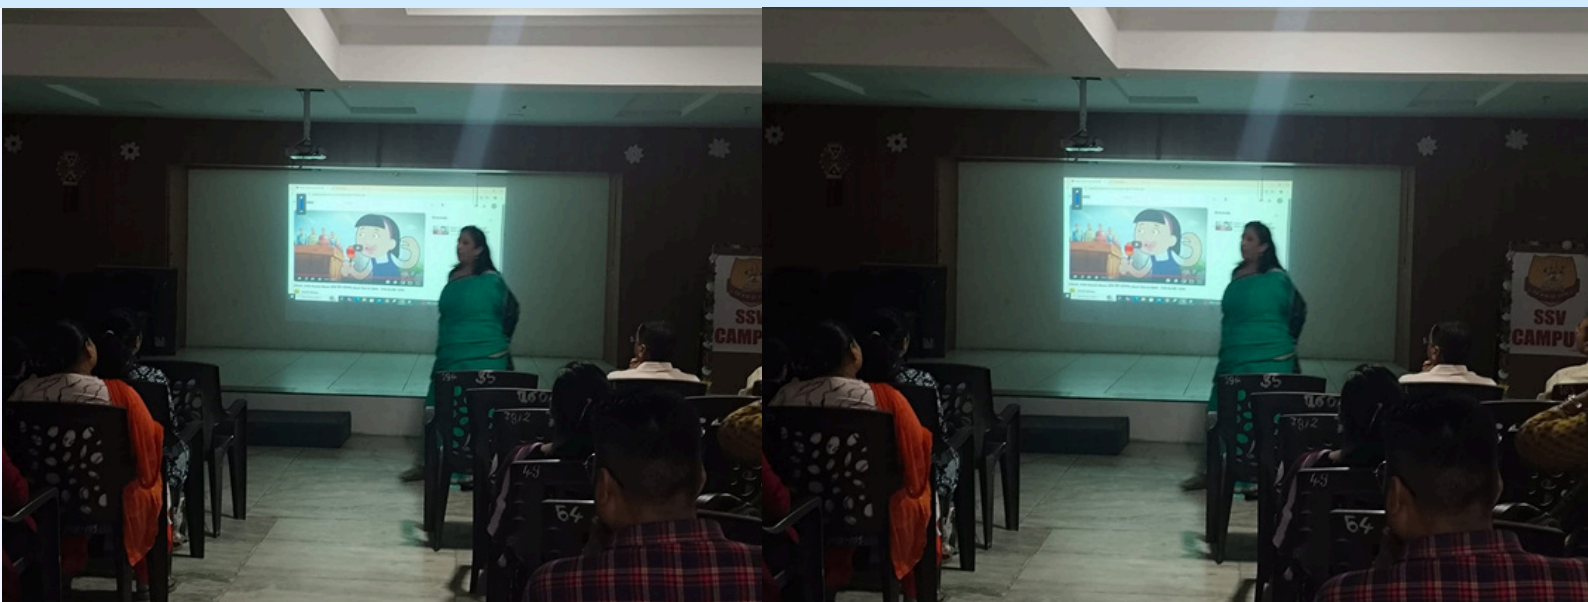

Work Shops for Teachers

POCSO

A specialized workshop on the Protection of Children from Sexual Offences (POCSO) Act was recently conducted at SSV Campus for the staff and teachers by the Principal, Ms. Neeraj Kaushesh. The session aimed to educate and equip educators with the knowledge necessary to safeguard children's rights and ensure a secure environment within the school.
